

PALFINGER HOOKLIFT

APPLICATION PROFILES

BUILDING CONTRACTOR

Building contractors find Hooklifts a flexible addition to their fleet:

- Easily remove construction or demolition waste from the job site.
- Deliver sand, gravel or fill to a site.
- Haul specialized equipment and deliver products to the job.
- Eliminate trailers; you can easily haul a Bob Cat inside of the container.
- Load and unload from ground level, no more climbing
- Keep the truck working, no need for it to sit on a job site
- Deliver storage sheds to store and secure tools and materials at the job site.
- Many contractors have expanded into the waste business
