

PALFINGER HOOKLIFT

APPLICATION PROFILES

LANDSCAPER

Landscapers find Hooklifts are a great way to make their businesses more competitive:

- Easily remove waste or deliver products to a job site
- Haul specialized equipment
- Load and unload from ground level, no more climbing
- Keep the truck working, no need for it to sit on a job site
- Eliminate trailers, bodies do not carry their own insurance.
- Many landscapers have expanded into the waste business
